Keys to Learning

COMFORT & CONVENIENCE

- New CUE information and media control system includes 8-in touch screen, voice recognition, haptic feedback and gesture recognition with proximity sensing and other features
- Full-color Driver Information Center (DIC)
- Automatic dual zone HVAC standard, Tri-zone (available)
- Adaptive Remote Start (available)
- Bose 8-speaker surround sound system is standard, 10-speaker (available)
- Dual USB ports for MP3
- Rear Vision Camera, Forward Collision Alert, Lane Departure, Safety Seat Alert (haptic) and Rear Cross Traffic Alert technologies (available on Collections)
- Passive Entry system (available)

POWER & PERFORMANCE

- 3.6L VVT DOHC V6 SIDI with 308 hp
- 6-speed transmissions with Driver Shift Control
- 4-wheel vented disc brakes with ABS, Ready Brake Alert and Panic Brake Assist
- Advanced AWD with eLSD (available)

RIDE & HANDLING

- 4-wheel independent suspension, MacPherson strut in front and linked H-arm in rear
- Continuously variable real-time damping suspension (available)
- ZF Premium variable-effort steering gear (available)

QUALITY, RELIABILITY & DURABILITY

- 4-year/80,000-km new vehicle warranty[2]
- 4-year/80,000-km Premium Care Maintenance[2]
- 6-year/110,000-km powertrain warranty, courtesy transportation and roadside assistance[2]
- 1-year OnStar Directions & Connections with Automatic Crash Response, Turn-by-Turn Navigation and OnStar RemoteLink[1]

SAFETY & SECURITY

- Dual-stage frontal air bags[3]
- Driver and front passenger seat-mounted side-impact air bags[3]
- Head-curtain side air bags[3]
- StabiliTrak Electronic Stability Control System with Roll-Over Mitigation
- OnStar Directions & Connections[1]
- Rear safety belt reminder

1. 6-months Directions and Connections service included. Visit OnStar.ca for conditions and limitations.
2. Whichever comes first. Conditions and limitations apply.
3. Always use safety belts and proper child restraints, even in vehicles with air bags. Children are safer when properly secured in a rear seat. See the Owner Manual for more safety information.

2013 SRX

Quick Facts

Up Front

- **Driver Awareness Package** combines Forward Collision Alert, Lane Departure Warning and Safety Alert Seat (available)
- **Fog lamps** for added vision and appearance (available)
- **Vertical headlamps** with light pipe technology have a jewel-like appearance
- **HID headlamps with washers** provide optimum nighttime visibility (available)
- **Adaptive Forward Lighting** swivels the headlamps in sync with vehicle steering and speed and automatically levels the headlamps to maximize effectiveness (available)
- **Rainsense wipers** automatically operate wipers when needed (available)
- **Front and rear ultrasonic parking assist** (available)
- **Top safety pick** from IIHS and 5-star overall safety rating from NHTSA

Under the Hood

- **3.6L VVT DOHC FlexFuel V6 SIDI engine** produces 308 hp and 265 lb.-ft. of torque
- **Direct Injection** introduces fuel directly into the cylinder where it mixes with air versus the intake port on typical engines. The result is higher horsepower and better fuel efficiency
- **Long-life components** including spark plugs, engine coolant, exhaust system and transmission fluid, help reduce the need for maintenance
- **Hydra-Matic 6T70 6-speed transmission** standard
- **Driver Shift Control with tap-up/tap-down** is standard and offers a clutchless manual shift mode for a more engaged driving experience

Passenger Side

- **Luxury crossover architecture** uses a Body Frame Integral (BFI) design with extensive use of high strength steel for safety and quality
- **18-inch painted cast aluminum wheels** are standard with ultra bright machined finish available
- **20-inch wheels** either premium painted with bright machined finish, polished finish or chrome finish are available on Performance and Premium Collections
- **LED light pipes** enhance side marker lamps
- **UltraView Sunroof** covers more than 70% of vehicle's roof area (available)

At the Rear

- **Integrated spoiler** on the rear edge of the roof extends the line by approximately 102 mm (4 inches) and improves aerodynamics
- **Vertical tail lamps** extend past the liftgate surface giving the SRX the look of contemporary tail fins
- **Power Liftgate with Memory Height** can be raised or lowered by a simple push of a button. The liftgate can be programmed to open to any height making it adaptable to the size constraints of any garage or the height of the person (available)
- **Pass-through exhaust rear fascia** gives the SRX a finished look
- **Up to 1,588 kg (3500-lb.) towing capacity** with available trailering package 1,134 kg (2500-lb. without package)
- **Rear Vision Camera** displays image of area behind SRX in rearview mirror, or in navigation display when navigation is ordered. (available)

Driver Side

- **StabiliTrak electronic stability control system** helps driver maintain control during evasive maneuvers
- **Roll-Over Mitigation** senses potential for vehicle rollover and applies brake pressure to outside front wheel to manage lateral pressure and reduce tendency for vehicle rollover
- **FE2 Touring suspension** is standard on all FWD and AWD Luxury Collection
- **FE3 Sport suspension** is included on AWD configurations of the Performance and Premium Collections. **Continuously variable real-time damping suspension** calms vehicle body movement, reduces roll, pitch and vertical motion
- **Advanced all-wheel drive** delivers power to the front wheels during normal driving conditions and to the rear as well when slippage is detected (available)
- **Electronic Limited-Slip Differential (eLSD)** is standard on the AWD system and can transfer up to 85% torque side-to-side along the rear axle, which helps in slippery conditions and in demanding performance manoeuvers
- **4-wheel vented disc brakes with ABS**, Ready Brake Alert and Panic Brake Assist

Interior

- **Available Keyless Access** lets you unlock and enter the vehicle with a personalized fob close-by
- **Push-Button Start** is standard and allows starting and stopping of the engine with a press of an ignition button
- **Adaptive Remote Start** allows you to start SRX from nearly 330 feet away and heat or cool the interior (available)
- **Dual-stage frontal air bags**[2] deploy at one of two inflation levels depending on the severity of a crash
- **Driver and front passenger seat-mounted side-impact air bags**[2] help protect occupants
- **Head-curtain side-impact air bags**[2] help protect outboard occupants (in first and second rows) from certain side collisions
- **Integrated Center Stack** is designed with a metallic finish surround and keeps the instrument panel lower, sweeping forward and away from front occupants
- **Hand-cut, sewn and wrapped surfaces** provide a three-dimensional low gloss look with French seam stitching throughout
- **Standard heated front seating** with leatherette surfaces and manual lumbar; 8-way power driver seat and 4-way manual passenger seat on FWD. AWD adds leather surfaces, power lumbar, thigh support for driver and 8-way power for passenger.
- **Available vented front seats and heated outboard rear seats**
- **Memory Package** on all except Base includes two presets for power driver seat, outside mirrors, adjustable pedals and driver personalization
- **Driver Information Center (DIC)** has a customizable 3-window screen that can show vital vehicle statistics, navigation directions, telephone information, music selections and more
- **CUE information and media control system** includes 8-inch color touch screen with haptic feedback, gesture recognition, proximity sensing, articulating storage door and compass
- **8-speaker Bose premium sound system** is standard. Includes AM/FM/SiriusXM stereo, single disc CD, dual USB ports and SD card slot
- **Navigation and 10-speaker Bose 5.1 surround sound system** is available. Includes rearview camera display
- **Available rear-seat entertainment** includes DVD/Blu-ray-compatible player with wireless headphones and remote control
- **Bluetooth for Phone** is standard. Supports music streaming
- **Dual-zone HVAC controls** standard and tri-zone available
- **Power-adjustable pedals** adjust to drivers of different statures (included on all except Base)
- **OnStar**[1] with one year of Directions and Connections Plan with Turn-by-Turn Navigation and OnStar Remote Link™(standard)
- **Leather-wrapped 3-spoke steering wheel** includes manual rake and telescope, with controls for audio, cruise and CUE

1. OnStar uses existing emergency service providers and wireless and satellite technologies. Visit www.onstar.ca for system limitations and details.
2. Always use safety belts and proper child restraints, even in vehicles with air bags. Children are safer when properly secured in a rear seat. See the Owner Manual for more safety information.
